PROFESSIONAL SUMMARY

Computer Science and Engineering graduate from the University of Engineering & Management (UEM), Kolkata, with a strong foundation in Java, Object-Oriented Programming, Data Structures and Algorithms, DBMS, SQL, MySQL, and JDBC. Hands-on experience in developing Java-based applications involving CRUD operations, database integration, and data management. Familiar with HTML, CSS, JavaScript, Git, and GitHub. Demonstrates a structured approach to problem-solving and application development, with experience working on academic and personal software projects. Seeking an entry-level Software Developer or IT role to apply technical knowledge, contribute to practical development initiatives, and build a strong career in software engineering.

CORE COMPETENCIES

Object-Oriented Programming (OOP)
Data Structures & Algorithms
Database Management
CRUD Application Development
Problem Solving
Debugging & Troubleshooting

TECHNICAL SKILLS

Programming Languages:	Java, C, SQL
Java Technologies:	Core Java, JDBC, Java Collections, Exception Handling
Web Technologies:	HTML, CSS, JavaScript
Databases:	MySQL
Developer Tools:	Git, GitHub, VS Code
AI Tools:	ChatGPT, Google Gemini, Claude

PROJECTS

STUDENT MANAGEMENT SYSTEM | Dec 2024

Core Java | JDBC | MySQL | OOP | Collections

- Developed a command-line-based Student Management System to manage and maintain student records.
- Implemented CRUD functionality, including the creation, retrieval, searching, and deletion of student information.
- Integrated MySQL with the Java application using JDBC to support persistent data storage and retrieval.
- Applied Object-Oriented Programming principles and Java Collections to organize application logic and handle data efficiently.

AI-BASED ATS RESUME ANALYSIS SYSTEM | Academic Group Project

NLP | AI | Resume Analysis

- Contributed to a four-member academic project focused on analysing resumes and evaluating their relevance against job descriptions.
- Participated in understanding functional requirements and the workflow involved in resume analysis and job-description matching.
- Contributed to testing and evaluating application functionality and generated outputs.
- Assisted with requirement gathering and project documentation while collaborating with team members throughout the development process.

TIC-TAC-TOE GAME | Aug 2023

HTML | CSS | JavaScript

- Developed a browser-based Tic-Tac-Toe game using HTML, CSS, and JavaScript.
- Implemented turn-based game logic to manage player moves and game state.
- Developed win-detection logic to evaluate row, column, and diagonal combinations.
- Implemented draw detection and designed a simple, interactive user interface.

EDUCATION

BACHELOR OF TECHNOLOGY (B.TECH) — COMPUTER SCIENCE & ENGINEERING | 2022 – 2026

University of Engineering & Management, Kolkata

CGPA: **7.94 / 10**

CLASS XII — WB COUNCIL OF HIGHER SECONDARY EDUCATION | 2022

Percentage: **95.2%**

CLASS X — WB BOARD OF SECONDARY EDUCATION | 2020

Percentage: **81.57%**

CERTIFICATIONS

- Introduction to Software Engineering — IBM, Coursera
- Introduction to Java — LearnQuest, Coursera
- Data Analytics Professional Certificate — Google
- Critical Thinking for More Effective Communication — LinkedIn Learning
